## White Angel Animal Hospital Promotion

Did you know that 10 million pets are lost or stolen every year? Without identification, 90% of them don't return home. Having your pet microchipped has been proven to save pets' lives by increasing the chance of reuniting you with your lost pet. White Angel Animal Hospital - Lake Travis and West Austin's ONLY 24 hour care veterinary hospital-will be sponsoring a fund raising event for Lake Travis ISD Parent Teacher Organizations to help get area pets microchipped.

White Angel will be implanting HomeAgain microchips into pets for a discounted fee of \$35 dollars with a portion of the proceeds being donated to the LWE PTO. In addition, we will be enrolling the microchips into the HomeAgain network for a fee of \$24.99. With enrollment, you receive both the activation of the microchip and numerous benefits from HomeAgain (For full details, please check out [www.homeagain.com](http://www.homeagain.com) )

The fundraiser will last until January 31, 2007. Please call 266-7VET (7838) or email [info@whiteangelah.com](mailto:info@whiteangelah.com) to schedule an appointment or for any details. Please visit [www.whiteangelah.com](http://www.whiteangelah.com) for directions and to learn about the hospital and staff.

**Sincerely,**

Lakeway PTO
